

Veiculo

```
classDiagram
    Caminhao --|> Veiculo
```

A UML class diagram illustrating inheritance. The class 'Veiculo' is at the top, represented by a white rectangle with a black border. The class 'Caminhao' is at the bottom, represented by a gray rectangle with a black border. A solid blue arrow points from the top center of 'Caminhao' to the bottom center of 'Veiculo', indicating that 'Caminhao' inherits from 'Veiculo'.

Caminhao
